

YORI VERBIST

STUDENT ARTIFICIAL INTELLIGENCE

ABOUT ME

I'm passionate by Artificial Intelligence, especially by Deep Learning and the corresponding mathematics. Someone who is eager to keep learning, mostly about AI, mathematics and genetics.

TECHNICAL SKILLS

| | | |
|------------|--|-----|
| Python | | 80% |
| C | | 75% |
| Laravel | | 70% |
| Java | | 70% |
| FastAI | | 65% |
| PyTorch | | 60% |
| R | | 60% |
| Javascript | | 50% |

PERSONAL CHARACTERISTICS

Fast learner
Motivated
Calm

LANGUAGES

Dutch - Native
English - Good

WORK EXPERIENCE

AI ENGINEER INTERNSHIP

Brainjar | Mar 2021 - May 2021

Tasked with creating a model that artificially generates mouth movements when given an image and audio sample.

- Researched the working of these models
- Collected and pre-processed data to fine-tune a model
- Developed a web application to make the project more user-friendly

IT SUPPORT

Bobbejaanland | Jun 2019 - present

- Fixing network problems
- Fixing general IT problems
- Programming scripts & web applications

EDUCATION

BACHELOR APPLIED COMPUTER SCIENCE, ARTIFICIAL INTELLIGENCE

Thomas More University College | February 2018 - present
